PROFESSIONAL EXPERIENCE

Freelance Media Buyer & Digital Marketing Specialist
Remote | 2022 to Present

- Design and manage full-funnel paid ad campaigns on Meta, Google, YouTube, and TikTok for clients across e-commerce and service industries, consistently achieving up to 150% ROI.
- Build detailed customer avatars, map buyer awareness levels, and develop audience targeting strategies to maximise campaign precision and reduce wasted ad spend.
- Conduct A/B creative tests across ad formats, copy, and landing page variations, using data-driven insights to iterate and scale winning combinations.
- Leverage AI-powered tools for ad copy generation, creative testing, and campaign reporting, reducing production time while maintaining output quality.
- Deliver clear client-facing reports on campaign KPIs (ROAS, CPL, CTR, CPC) and provide optimisation recommendations aligned with client growth objectives.

Digital Marketing Consultant | APC Imprimerie Numérique
Libreville, Gabon | Jul 2024 to Present

- Create and manage Meta and TikTok Ads campaigns focused on print service lead generation, driving consistent qualified inbound enquiries.
- Develop platform-specific content strategies tied to local events and seasonal demand cycles, growing organic page engagement alongside paid performance.
- Integrate AI automation tools into the content production pipeline, reducing manual workload by 20+ hours monthly while improving output consistency.

Digital Marketing Consultant | Imprimerie Numérique Silicon Valley
Libreville, Gabon | Jan 2025 to Jul 2025

- Managed results-driven Meta and TikTok Ads campaigns for a local printing brand, improving lead quality through refined audience targeting.
